## CHANCELLOR'S WORDS OF WISDOM

Since its establishment, based on the founding ideals of “freedom and innovation,” the education at JS University has allowed students to acquire various skills and values that are synonymous with a private-school environment. Over the years, such efforts have cultivated and sent a wealth of human resources out into the world. However, in the coming years, we must also focus on education that develops creative individuals that modern society needs. With this in mind, we must not only encourage a high-level of classroom learning, but also actively involve students in cutting-edge research activities conducted by our laboratories, encourage students to expose themselves to new challenges, and produce individuals capable of facing and resolving the tough challenges in the real world. In order to successfully produce such individuals, it is necessary to provide world-class, cutting-edge research centers at JS and further improve our current research standards so they match the highest of international levels. I believe that the individuals produced from these research centers will overcome the powerful tide of globalization, gain the potential to surmount overseas competition, and take on the future burdens of the world. It is my sincere hope that research achievements obtained at JS University will contribute to the realization of a society where humans and nature can co-exist peacefully, as per the requirements of the 21st century.

**DR. SUKESH KUMAR**  
Chancellor

## MESSAGE FROM PRO-CHANCELLOR

The University has successfully established active learning environment which equips its students with in depth knowledge and skills, critical and creative ways of thinking. We strongly believe in providing our students with motivation, encouraging participation and making students feel responsible in their learning process. At JS University, our teaching philosophy is open and broad in dealing with different views and opinions. Our teachers are fully aware that every student is unique and has his own learning attitude. We are committed to shape the young minds whose roots are deeply seated in high moral values and who are capable to face all the modern day challenges in a positive, logical and systematic manner. Then only, our future generations will be equipped with the Godly Wisdom and the destiny of our society and beloved nation will be in safe and strong hands.

**DR. P.S. YADAV**  
Pro-Chancellor

**PROF. HARI MOHAN**  
Vice-Chancellor  
Ph.D., D.Lit.

## MESSAGE FROM VICE-CHANCELLOR

Education is truly valuable only when it leads to flowering of the true personality of young minds and helps to bring out the best in them towards a larger cause of nation building. A young mind with self-confidence, pride in his/her own rich heritage and a frame of mind and skills to address the contemporary issues faced in the society is the building block of a progressive society.

There are no short-cuts to excellence – it is the collective effort of the faculty, management and students that will get us closer to achieving our dream. I look forward to working with all our stakeholders and well-wishers in this challenging journey towards our goal. It is our collective responsibility to realise the maxim that Shri Krishna laid out in Bhagavad Gita: nahi jñānena sadṛśam pavitramiha vidyate – there is nothing more pristine than knowledge.

It is my pleasure to welcome every student and the parent sharing this vision into the portals of the University. I am confident that you will feel proud on being associated with us and make us equally proud with your academic excellence.

## MESSAGE FROM VICE-CHAIRPERSON

The dynamics of higher education across the globe are changing rapidly and are increasingly becoming a collaboration of academic disciplines with practical experiences. Interactive learning, bridging disciplines and facilitating learners to gain different competencies through judicious management of time is viewed as one of the greatest and fascinating priorities and challenges today. Research indicates that India would soon be amongst the youngest nations in the world. With nearly 140 million people in the college-going age group, one in every four graduates in the world will be a product of the Indian higher education system. In such a predicted scenario, quality-assured higher education and knowledge-based economy are a crucial part of the foundation pillars for the progress of our country.

Subsequent to the knowledge sector's boom, an enabling academic sector is the core vision for the progress of the nation. As an esteemed institution contributing to this vision, JS University believes in establishing a well planned system of knowledge gathering and sharing. Using dynamic methods for day to day teaching and constantly adapting to the ever evolving learning patterns of today's students is what would make this journey exciting and promising.

**DR. GEETA YADAV**  
Vice-Chairperson

**MR. ASHOK KUMAR**  
Managing Trustee  
Department of Revenue

## MESSAGE FROM MANAGING TRUSTEE

Professional education is a dynamic and emerging field. It has been my long cherished dream and earnest desire to contribute to the nation's development and bring about social transformation through education. Our University have a reputation for pioneering in pursuit of academic excellence and achieved laurels worthy of creators and it is continuously striving for higher ground. Due to imparting quality education and homely atmosphere, we have emerged as the preferred choice for aspiring students. It is noteworthy that we have established strong bondage in industry and our students are working in top ranked organizations and withdrawing very handsome packages. We are committed to upgrade and sustain the academic delivery system and University's infrastructure in tune with future requirements.

## MESSAGE FROM DIRECTOR GENERAL

With another year of successful advancement towards the achievement of excellence in education, JS University has added accolades to its credits. Aligning with the requirements of the global market, where the right set of knowledge, skills and attitudes is the key to meet the requirements of the globalised economy and the opportunities across the globe, JS University has nurtured its students not only for the corporate opportunities but also sensitized them to the important issues of global research.

**DR. GAURAV YADAV**  
Director General

**MR. NANDAN MISHRA**  
Registrar

## MESSAGE FROM REGISTRAR

Our University you will find dynamic and friendly atmosphere among students and staff. Our aim is development of life skills which make individual deference's, confident and independent we help the students to achieve their desired dreams and their interests and aptitude. We are trying our level best to build the University as centre of excellence in real sense. earnestly invite construction suggesting and active co-operations from all corners to make our mission a success.

YOU **WERE** BORN  
TO CREATE A MARK

**WELCOME**

JS University, Shikohabad is the 'dream come true' of Shri Jagdish Singh Ji, through Sri Jagdish Jan Kalyan Educational Trust which is working seriously in the field of quality education for rural area students since long back. Dynamic educationist Dr. Suresh Kumar working vigorously in expanding the Colleges of this Trust in terms of a well planned University. The Former State Government under the leadership of Shri Akhilesh Yadav, the Honorable Chief Minister of Uttar Pradesh took cognizance and introduced a Bill to the status of a University in March 2015 and christened it as J.S. University, Shikohabad, Firozabad. Hon'ble Chief Minister proposed, "With a view to encourage infusion of philanthropic capital in private sector to participate in the field of higher education and encourage competition to attract high quality faculty and students and continuously enhance quality it has been decided to establish and incorporate a teaching University by the name of J.S. University, Shikohabad, Firozabad by Shri Jagdish Jan Kalyan Educational Trust, Shikohabad, Firozabad.." We are working hard for this noble purpose. Our motto is –**विद्या विनियोगद्विक्रमः** (Progress through proper application of knowledge.)

# ABOUT UNIVERSITY

## Where knowledge is created and shared

Built on the principles of equity, excellence and engagement, the J.S. University has a reputation as a world-class institution making an impact within its own region, throughout the country.

Our research is world-class and diverse. Our degree programs are internationally recognized and our partnerships and collaborations drive innovation. Our alumni are leaders and our students are preparing to make a difference in the world.

## Meeting the education challenge

Our University has long been known as a champion of innovative approaches to education. We strive for a dynamic teaching culture that delivers world-class educational outcomes.

As competition for the best and brightest students increases, our long history of offering innovative, problem-based learning across our programs means we are poised to meet the education challenge.

## Ready for Life and Work

The urban communities in which we live and work are going through deep and transformative change. We exist to create transformative experiences for our students, getting them ready for life and work, and to help shape the world with research, innovation, teaching and engagement. J.S. University has a unique approach to meeting the challenge of being ready for life and work: we offer an education deeply grounded in ideas and cross-disciplinary understanding, applied through innovative, enterprising practice to solving problems and meeting the needs of our community. Our goal is to offer life-changing experiences, and to shape the world with the talent, knowledge and learning capability that we share. J.S. University is an amazing institution. We all have a role to play in renewing it. Join us.

## WHY choose J.S.?

By choosing J.S., you're choosing a global university recognized for leadership and innovation in technology, design and enterprise.

At J.S. you'll learn from experts in your field of study, while benefitting from our strong industry connections and a curriculum influenced by the latest industry trends. We offer you an education that equips you for success through practical industry training, global study opportunities and innovative programs delivered by experts at the forefront of their fields.

A degree from J.S. University will give you the skills and knowledge to make you employable, anywhere in the world.

### Global opportunities

Enrich your studies with an experience tailored to your academic and personal interests. Whether you're a vocational education, undergraduate, or postgraduate student, there's a global opportunity for you.

### A transformative experience

Studying at JSU is a transformative experience that will see you exposed to new people, places and ideas.

### Skill-based education

Students graduate equipped with world-class technical skills as well as an in-depth understanding of current industry practices. J.S. University specializes in practical, industry-based learning designed to give you the skills and direct experience that employers value.

### State-of-the-art facilities

JSU's campuses are continually evolving to meet the demands of modern study. You'll find innovative buildings equipped with industry-standard facilities, modern technology and sustainable features. No matter what you study or at which campus, you'll have access to spaces and facilities designed for you to explore, learn, research and create.

### Our people are the lifeblood of JSU

Our teachers and centre staff are passionate about sharing knowledge and nurturing our students, and work tirelessly to ensure our students receive the best possible care and support while away from home. Our students come from a diverse range of backgrounds and enjoy an enriched study and living experience at our study centres.

**The JSU aims to nurture young minds and educate them, so that they contribute to the nation's development.**

# INFRASTRUCTURE AND RESOURCES @ JSU

JSU provides state-of-the-art infrastructure to its students. These facilities go a long way in ensuring a productive campus life and providing a perfect backdrop for academic pursuits.

The sprawling premises also houses the JSU office and various trust offices, central library, auditorium, conference hall, canteen, health care centre, area for recreational activities, teaching & non-teaching staff housing.

## Smart Classrooms

The altar of learning is always been the classroom but the classrooms at JS University are a whole new world of discovery, being equipped with high-tech facilities like high speed internet connectivity and air conditioned. 100+ Classrooms to groom a multitude of promising engineers, entrepreneurs, artists and many more... Naturally lit spacious classrooms with Audio-Visual facility with OHPs & PA systems, ergonomically designed benches with theatre type setup, well equipped laboratories, Wi-Fi facility, White Boards, Soft Boards, demonstration area etc. making the teaching learning process in the classroom interactive & exciting.

- Ours is a wi fi enabled campus enabling uninterrupted access to high speed internet 24\*7.
- Modern classrooms.

## DR. RAM MANOHAR LOHIA Higher Study & Research Institute

Courses to be Offered

- P.G. Diploma in Political thoughts.
- P.G. Diploma in Woman Studies.
- Diploma in Political Management  
(including proficiency in communicative Hindi and English)
- P.G. Diploma in Security Management.
- M.Phil and Ph.D.  
in various subjects of Arts, Science, Humanities, Commerce, Management, Education and Physical Education etc. (In accordance of New U.G.C. Guidelines).

The RML research Institute sets great store by having a connection with society. In the area of education, this means that students acquire scientific knowledge and skills and are prepared for the changing demand on the market. Research is clustered in themes and founded on a fundamental basis. This enables researchers to work on solutions to complex social problems in the area of sustainability and combating diseases. Even the most fundamental research of the faculty is, either directly or indirectly, the driving force behind the changes in the future. In order to stimulate interdisciplinary and socially relevant research, JS University has defined a number of research themes and focus areas. Within these research themes, fundamental and applied research is linked to social missions.

# JS INSTITUTE OF NURSING & PARAMEDICAL SCIENCE

Approved by State Medical Faculty.

Courses Offered:

- B.Sc. Nursing**
- B.Sc. MLT**
- Diploma - O.T. Technician**

# PLACEMENT CELL@JSU

A placement cell in any university, college or an institute plays an integral role of bringing employee and employer on a common platform.

The most significant resource of any civilized society is its trained and skilled manpower. In the contemporary competitive world, education is not just a mode of transmitting knowledge but equipping the students with the contemporary professional skills and ability to take up the global challenges for contributing the society to a greater extent as well as fulfilling their career aspirations. The University Central Placement Cell was constituted since its inception, the Cell is helping the students to identify the organizations for training and placement. The members of placement and training cell will be devoting their time and energy in shaping the future of the students through innovative ways and means. Further, Campus Interviews are organized to provide opportunity to the students to showcase their talent and to facilitate them to be placed in various organizations across India and Abroad. The Placement Cell is dedicated to support the students in their pursuit to get jobs in the esteemed organizations. In addition to this specialized lecture, workshops and job fairs are organized to provide students different platforms to attain their respective heights.

# ADMISSION PROCEDURES

J.S University places special emphasis on quality education. Applicants are considered on the basis of their qualification regardless of race, color, gender, religion, disabilities, age or national origin. The most qualified candidates will be selected to fill the available places.

The medium of instruction is English and Hindi both and a good command of the language, both oral and written, is essential for students to be successful at JSU.

For admission consideration percentage of marks or grades at qualifying examination and university grade point averages (if applicable) must meet the minimum established standards as set by the university. Furthermore, applicants with previous university/college experiences applying to JSU as first-year students will only be considered if they were in good academic standing in their previous university/college, meet the JSU admission requirements and if seats are available.

All admitted students are required to pay. Deposit as registration fee and This registration fee is non-refundable and non-transferable to others under any circumstances and must be paid before the established deadline.

The offer of admission, regardless of type, is valid only for the semester for which a student applies. If an applicant is granted admission for a certain semester and for some reason fails to register for that semester, the applicant may request, in writing, deferring admission for the following semester only. Admission consideration for the following semester will depend on available places and the established admission criteria.

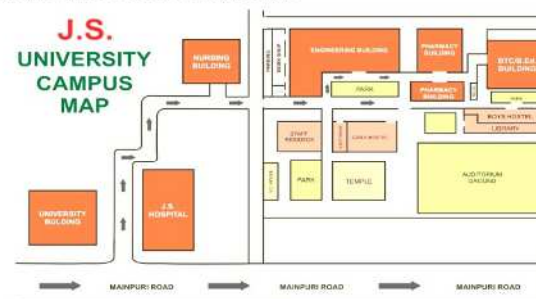

The university requires regular attendance at all classes, lectures, laboratory sessions and seminars.

## Minimum Admission Requirements

JSU's minimum admission requirements depend on the applicant's type of secondary education program and certificate. In all cases, for non-vocational certificates, only subject classified as academic are accepted for admission consideration and the calculation of averages. Admission to the university is competitive, and the actual required minimum average for admission consideration and to guarantee a seat will depend on:

- ✓ Secondary education certificate or school average
- ✓ Pass marks in eligibility test (as applicable)
- ✓ Number of available seats

However, the minimum required average for accepting an application for admission consideration is the equivalent of 40 percent or more in the final year (depending on the education system) of secondary education, Higher averages may be applicable for certain courses. Other program-specific requirements or restrictions may also apply.

## Recognized secondary School Certificates

Secondary school certificates are awarded either by Govt. recognized education board or by private schools and institutions JSU recognizes certificates awarded by ministries of education. However, some countries award two levels of secondary school certificates. In this case, the university recognizes the higher certificate. The university accepts certificates awarded by private secondary schools that are recognized by their host country.

The university also accepts certificates awarded by recognized qualification authorities, international boards and national boards.

## Procedures for Applying

To Apply to JSU:

- Applicants may apply online by visiting [www.jsu.ac.in](http://www.jsu.ac.in)

## EVENTS@JSU

Academics form just one facet of the life at JSU. We encourage the students to nurture their lives outside classrooms as well. A significant part of the student's year encompasses coordinating and participating in the abundant cultural activities. We believe that being involved in organising such events imbues a healthy will of competition and cultivates team spirit. Events ranging from quizzes, debates, dance, writing, drama, music and literary activities hone an individual and ample platform is provided to showcase their flair.
